Roundhouse Community Arts & Recreation Centre-

Through the support of corporate and community partners, posAbilities continues to advance its vision of an inclusive arts community. In 2025, posAbilities will partner with Open Door Group to co-present the INCLUSION Art Show—BC's largest inclusion art event. This collaboration aims to broaden artist participation and expand the show's reach into new communities across the province.

The annual event is made possible thanks to the dedication and generosity of community partners who help bring this large-scale celebration of creativity and inclusion to life.

All events are free and open to the public. Venues are wheelchair accessible, with additional accessibility services available, including ASL interpretation, to ensure everyone feels welcome and included.

Project EveryBODY Film & Art Festival

Our goal:

To celebrate the achievements of persons with disabilities and advocate for a thriving community that is diverse, inclusive, and accessible.

Our purpose:

To create and promote platforms that showcase the talents of persons with disabilities.

Project EveryBODY (PEB) is a community collaboration led by Open Door Group, in partnership with posAbilities and other organizations, celebrating the diverse talents and contributions of people with disabilities.

This year, we're excited to bring back PEB Celebrates Live!—our annual film and cultural festival—on October 22, as part of the Inclusion Art Show and Sale at the Yaletown Roundhouse Community Centre.

We're also exploring the addition of a market fair on December 3, in recognition of the United Nations International Day of Persons with Disabilities, also at the Yaletown Roundhouse Community Centre. The fair would feature local products created by artists and entrepreneurs who identify as persons with disabilities.

All events are free, accessible, and open

We offer accessibility services including ASL Interpreters, CART Services, and Described Audio.
